

24-7 PRAYER POWERPOINT PRESENTATION

The 24-7 Prayer PowerPoint Presentation is a resource designed to help anyone communicate the vision and practicalities of a 24-7 Prayer Room to a group that haven't prayed before. The presentation includes information, Bible verses, films and photos, and is best displayed alongside a verbal presentation. Please feel free to use the PowerPoint in its entirety or edit it to be more specific to your situation or community.

To view this presentation you will need:

- A copy of Microsoft PowerPoint 2004 or later. If you do not have this program you can download a free viewer from <http://office.microsoft.com/en-us/downloads/CD102070641033.aspx>
- A copy of Quicktime movie player which can be download for free from <http://www.apple.com/quicktime/download/>
- Please check that the video links in the presentation still connect to the three Movie files in the following order: Slide 2 links to Prayer as Movement, Slide 7 links to The Vision and Slide 16 links to Prayer as Justice. If the links no longer work delete the films in the presentation and insert them again. If you are unsure how to do that why not pause the presentation at that point and play the films separately.
