### THE PRAYER

Heavenly Father, we come before Your throne of grace in the name of Jesus. We are united in prayer, and we are in awe of the ways You have been faithful to your people over the centuries. Time and time again, You have revived Your Church and poured out Your Spirit on the peoples of our world.

We are not satisfied by hearing of past glory and magnificent moments. We believe we have come to our own historic hour. Our world is desperate for a touch from heaven! With millions still in the grip of COVID-19, supply chains ruptured, and world economies broken, we humbly cry out to You, Father, for a fresh move of Your Holy Spirit. Repeat in our day what You have done throughout history.

**As Your Church proclaims the Gospel, we ask You to revive us. We pray and ask You to redeem millions from every tribe, tongue, and nation.**

We are thankful for the way You are mitigating COVID-19 in many cities and nations around the world. We will not forget Your mercies to us! Yet, we also will not forget all the nations and peoples around the world who are still quarantined in their homes. With food in short supply, no clear end in sight, and, in some places, increasing violence, many people feel imprisoned with no way of escape. We ask You today to meet them with Your provision, power, and peace. Heavenly Father, only You have the ability to halt the invading fear and pain fracturing our world.

**Lord, in the name of Jesus, we ask You to eradicate COVID-19 and heal the hurting peoples of the world.**

Lord, in an hour where many places in the world are being shaken by political, religious, and ethnic tensions, we thank You for empowering Your Church by the Holy Spirit to walk in love and unity. Deeply examine our hearts, so we can repent of every form of bias and prejudice toward other humans, based on their political affiliations, ethnicity, nationality, or religion. Fill us afresh with empathy love, understanding, and forgiveness, as the world around us erupts in tension and pain.

**LORD, IN THE NAME OF JESUS, WE HUMBLY ASK YOU TO HEAL OUR LANDS FROM POLITICAL, ETHNIC, AND RELIGIOUS, HATRED AND THE DIVISION IT FUELS.**
